

Welcome to Family dog manners!

We're glad you could join us! Here's some important information to help you get ready for your class.

Our classes are designed for people who want a well-behaved family dog. Class topics include tolerance of handling techniques, socialization, good manners and training basics such as sit, down, wait, stay, leave it, walking on lead and coming when called, using proven rewards-based methods.

Location

Classes are held at Lake Mills Veterinary Clinic, W7797 Hwy V, Lake Mills, Wisconsin 53551. Please phone 920-648-2421 if you need directions.

Cost

\$170 for a 6-week series (one class per week).

Payment can be made at the clinic (cash, check or charge), or by calling in a credit card to the clinic. If unable to pay in advance, you may pay on the first night (cash/ check only).

No refunds are given for missed classes; however, we can do a quick catch-up prior to or after the missed lesson. Please talk to your instructor if you think you will miss a class.

Time and date

Date/time: _____

Please arrive about 10 minutes early for the first lesson, so we can have check-in finished by the class start time. The first lesson will last up to 90 minutes; all other lessons will last about an hour.

Checklist for class

The first time you come to class, you'll need:

- Vaccination records: all dogs must be current on vaccinations — please bring these records for us to check. Also, please note that your dog should be on a worming and flea/tick treatment as recommended by your veterinarian.
- Class forms: please bring your completed registration, profile and indemnity forms.
- Payment: if you have not prepaid, to ensure your spot in class, please bring payment in full (cash/check).
- To leave your dog at home (our first class is people-only).

For all other lessons, please bring:

- Your dog
- Leash: flat, material type (About 6 feet long; no retractable leads, please)
- Collar: flat, material (cloth) type – NO choke chains (Harnesses, Halties and Gentle Leaders are OK)
- Treat pouch: a waist/bum bag or apron with pockets works well
- Treats: please bring your dog's favorite treats. For class you'll need something especially enticing, such as small pieces of soft, smelly items like cheese, hot dogs, or liver bits.
- Towel: an old one (or blanket), for use in sitting on the ground with your dog during some exercises

Family Members

Please feel free to bring all family members over 5 years of age. Consistency is important, and bringing everyone to class is a great way to achieve this! Please remember, however, that parents are solely responsible for their children.

Canceling your registration

You are booked into this class. If you need to cancel, please notify us at least 5 days prior to your first class. That will allow us to contact anyone on a waiting list to offer your spot. Thank you for your courtesy.
